

Brass cleaning guns

With non-slip handle and rubber-insulated stainless steel trigger

Available in 6 colours

Our best-selling brass gun, which is available in various colours, in a blue version with trigger guard and also available with pre-mounted swivel coupling. For detailed technical information, please refer to the next page.

- Solid brass casing
- Strong rubber jacket with good resistance to animal fats (incl. chicken fat)
- Insulated trigger for increased grip, comfort and protection against high temperatures
- Double internal seals for extra security
- Continuously adjustable spray pattern by trigger
- Available in 6 colours

A ball bearing swivel on a gun improves user friendliness and extends the life span of the hose. See the "Swivel Couplings" page for more information.

Although all materials can handle temperatures up to 95°C, special precautions are recommended if hot water is used.

The gun is not suitable for steam!

Water flow when trigger is fully squeezed, depending on pressure.

It is possible to order a pistol with your own logo (from 200 pieces).

Available models:

- AKMN001-B** (blue)
